Good Facts on Freezing Meats

Since meat represents a sizable investment, it pays to protect it. These tips and timetables can help you get the most from the meats that you freeze.

Be sure your freezer maintains a temperature of 0° or less. (Check with a freezer or outdoor thermometer.) If freezer temperature is any higher, the meat's color, flavor, texture, and sometimes the nutritional value deteriorate faster.

Use only moisture-vapor proof wrappings such as freezer weight foil, plastic bag, or plastic wrap. The film wrap that comes on meat you buy at the store "breathes" so it shouldn't be used for freezer storage longer than two weeks. For longer storage, overwrap in suitable freezer material.

You can leave fish or poultry purchased frozen in the original wrapping without any further overwrappings. Freeze no more than two to three pounds of food per cubic foot of freezer space within a 24-hour period.

Label all packages as to the contents, amount, and the packaging date or the expiration date (see chart).

Don't freeze cured meats such as bacon and ham for long periods. The salt used in curing promotes rancidity. Frankfurters and luncheon meats are not recommended for freezing, but can be frozen for not more than two weeks.

You can refreeze partially thawed meat that still has some ice crystals and is firm in the center. The quality of the meat may have suffered, however.

Dr. Bob C. Davis

Guest Speaker

For Youth Revival

Dr. Bob C. Davis, full-time evangelist, will be the guest speaker for the forthcoming Youth Sponsored Revival to be held at Evergreen Baptist Church on the nights of February 7, 8, and 9 beginning at 7:00 p.m.

With his wife, Norma, and his two daughters, Joy and Lori, Dr. Davis makes his home at Concord.

After graduation from Columbia Bible College, Columbia, South Carolina, and Southwestern Baptist Theological Seminary at Fort Worth, Texas, he received the degree of Doctor of Theology from the Luther Rice Seminary in Jacksonville, Florida.

In his fifteen years of pastoral experiences, Dr. Davis has conducted numerous revivals across the United States and in Jamaica and has served extensively in witnessing clinics.

The public is cordially invited to attend.

BLOODMOBILE
COMING SOON

3 teaspoon baking powder
½ cup butter
1 cup sugar
2 eggs
1 teaspoon grated orange rind (can use more for flavor)
2 tablespoon lemon juice or orange juice
¼ cup milk
½ cup chopped pecans
½ cup chopped dates

Sift flour, salt and baking powder. Cream butter; add sugar gradually, creaming until smooth. Beat in an egg at a time. Add orange rind; add flour mixture alternately with lemon juice and milk, beginning and ending with flour and beating until smooth after each addition. Add chopped nuts and dates. Turn into a well buttered 9 x 4½ x 2½ inch loaf pan. Bake at 350° for 1 hour or until well browned. This recipe can be doubled for two loaves. It also freezes well. Yield: 12 servings.

SCA Meeting

In the SCA meeting we discussed some of the things we discussed in the Executive Meeting. We discussed the Sweetheart Dance. Admission will be 50c per student and 75c per couple. We are going to have 1 queen and 2 princesses. We made a motion to have the time from 7:30 to 11:00. Mr. Davis agreed on it.

We also discussed what we should wear at the dance. We elected a committee to discuss how the students should dress.

Then Willis Fleshman, president, talked about the SCA picking a lunch every month that the student body would like.

Then the meeting was closed.

Jordan News

Sunday School - Sunday morning at 10 o'clock.

The Harps of Zion will present a program of Gospel Songs at the Jordan Baptist Church on Sunday, Feb. 2nd, at 7: p.m. The public is invited to attend.

On the February 15th there will be a special service held at 7: p.m.

A very large crowd attended our regular Sunday morning service last Sunday. Rev. Elliott preached a very dynamic message about "The New Birth."

We offer our deepest expression of sympathy to the family of Deacon Julian Hamlett.

For a heart healthy diet, eat foods low in saturated fat and cholesterol. This means less beef and other meats and whole milk products, and more fish, poultry and fresh vegetables. Ask your local Heart Association for more information.

Walk, don't run. Exercise is good for all of us, but not necessarily the same exercise. See your doctor before starting any usually strenuous activity. He will tell you what kind of exercise program is right for you. Your local Heart Association can help, too.

Virginia Cancer Chairman Named

Mrs. John N. Dalton of Radford will serve as chairman for the American Cancer Society's 1975 educational and fund-raising Crusade in Virginia.

Mrs. Dalton, wife of the Lt. Governor of Virginia, will lead over 70,000 volunteers throughout the state during April in efforts to raise a goal of $1,835,000. She commented, "When our American Cancer Society volunteers in all Virginia families and ask for their help, our Crusade has two goals. We want to raise money for continuing research into the causes and cure of cancer. Equally, we want to encourage each family to know the warning signs of cancer and to seek medical help early. We also want every family to be aware that the means of diagnosis and cure advance each year."

She noted that the Crusade theme in Virginia is "Fight Cancer. . . One Door at a Time" and urged that "When an American Cancer Society volunteer comes to your door – give as much as you can so that the time may come when we can each meet this disease with knowledge and without fear." She added, "As of now early detection is our great hope in the fight against this most feared and fearful of all diseases. We must encourage individuals and families not to be afraid and to seek the medical help which is now available."

Mrs. Dalton also pointed out that Mrs. Gerald Ford is Honorary National Chairman of the Society's 1975 Crusade. "Her courageous example of last fall will save the lives of many women, and the money we raise this year will help to save many more," she said.

A graduate of Radford College, Mrs. Dalton also attended Michigan State University and the University of Virginia. Her major outside of activity is her volunteer work in the Infant Hearing Screening Program at Radford Community Hospital.

One of Mrs. Dalton's first responsibilities as Division Crusade Chairman will be to speak at the luncheon session of the Crusade Leaders' Conference to be held in Richmond on January 29 for 150 Local Unit volunteers from the state. Her topic will be "One Family at a Time."

A memorial gift to the Heart Association in honor of a deceased friend or loved one shows that you remember and that you care in a special way.

VA News

The maximum interest rate on Veterans Administration GI home loans dropped from 9 per cent to 8.5 per cent effective January 21, 1975, it was announced recently by the Roanoke VA Regional Office.

The lower VA rate is the second reduction since last November 24, when the maximum was 9.5 per cent. The new 8.5 per cent rate also applies to FHA home loans.

The 8.5 per cent rate is the lowest since April 1974 when it was increased from 8.25 to 8.5 per cent. Interest was increased to 9 per cent last July, then to 9.5 per cent last August, and then was cut to 9 per cent effective Nov. 25, 1974.

The half per cent decrease would mean as much as $9.90 per month savings to the typical veteran home buyer, and, over the 30 year life of a $27,500 VA loan, the total saving could be as much as $3,535.

VA said the VA home loan market was greatly expanded under legislation approved by the President Dec. 31, 1974, when more than four million veteran whose GI home loans have been paid in full and the home disposed of became potentially eligible for new loans guaranteed by VA.

The legislation also increased the maximum VA loan guarantee amount from $12,500 to $17,500, authorized loans for the purchase of mobile home lots, increased the amount of mobile home loans and broadened the possibilities for guaranteeing loans on one-family condominiums.

ACHS Learns About Teaching Profession

The January Career Assembly was held January 22, 1975 in the ACHS auditorium. The program emphasized the important qualifications and the preparations needed to be successful in a teaching career. Cindy Guill served as moderator for the panel, which consisted of Miss Androniki Fallis, Mrs. Hezetine Foster, Miss Mary Libby Tolly and Mr. R. B. Carter.

Miss Fallis, Director of Placement at Longwood College, emphasized the importance of high school preparation, available teacher training programs and the prospects for employment of teachers.

Mrs. Hezetine Foster, assistant principal at Appomattox Elementary School discussed special qualities needed and the college preparation for kindergarten and primary grades.

Miss Mary Libby Tolley, physical education teacher and coach at ACHS. Miss Tolley described the routine duties of a teacher and the special duties in P.E. and coaching. She also explained college subjects studied and associated with the teacher programs.

Mr. R. B. Carter, director of Vocational Education at ACHS, emphasized the importance of preparation for teaching and the special qualities needed. Also he described the job outlook in the teaching field.

This meeting was very successful and informative to the students at ACHS. The students are now familiar with a few of the requirements and responsibilities needed in planning and obtaining a successful teaching career.
